

UTAH DEPARTMENT OF ALCOHOLIC BEVERAGE SERVICES Package Agency Monthly Sales Detail Report Instructions

How to Fill Out & Submit the Package Agency Monthly Sales Detail Report

1. Click into the month/year box in the top right corner of the form to populate the dropdown menu, then select the appropriate month.

Product Code	Product Description	Product Size	Retail Price	Starting Inventory	Quantity Received	Quantity Sold	Quantity Returned to DABS	Adjustments + / -	Month End Inventory
0123456	Strawberry Vodka	750ml	\$12.99	100	50	-44		-4	102
654321	Blueberry Schnapps	1500ml	\$34.99	150	150	-89		0	211
023546	Raspberry Wine	750ml	\$19.99	75	50	-47		0	78
0859764	Huckleberry Mead	350ml	\$9.99	50	50	-10		-1	89

2. Enter your Package Agency Number and DBA Name into the following fields. (Entries should match details submitted in your Type 2/3 Package Agency online record and package agency agreement)

Quantity Received	Quantity Sold	Quantity Returned to DABS	Adjustments + / -	Month End Inventory

3. Enter your item information (Product Code, Product Description, Product Size, and Retail Price) into the orange columns.

3125645	Grasslands Pinot Noir	750ml	\$52.78	53	48	-46		0	55

4. Fill out the inventory-related columns:

- a. **Starting Inventory:** Values should match the previous month's "Month End Inventory".
- b. **Quantity Received:** Values should be the total number of bottles received during the reporting month.
- c. **Quantity Sold:** Values should be the total number of bottles sold during the reporting month.
- d. **Quantity Returned to DABS:** Number of bottles returned to a DABS State Liquor & Wine Store.
- e. **Adjustment +/-:** Values should be total number of bottles for in-store shrink (damage/theft).
Ensure values in the "Adjustment +/-" column are entered as negative or positive for record accuracy.
- f. **Month End Inventory:** Values should be the total number of bottles remaining in stock after calculating the other inventory-related columns at the end of the month.
